- Manage the job advertisements in applicable syndications, making sure that these are up to date;
- Formulate, plan and implement recruitment programs both internally and externally to best attract and retain quality talents;
- Invite and schedule paper-screened candidates for an interview or assessment by following the targeted-selection process;
- Conduct initial interviews or facilitate assessment and select qualified candidates for endorsement to hiring managers;
- Extend the job offer to a successful candidate;

- Facilitate pre-employment requirement discussions, collection of requirements, and signing of contract;
- Enroll new hires government/statutory benefits/contributions on the first day of employment;
- Notarization of employment contracts;
- Maintain database of candidates from sourcing channels (i.e. JobStreet, LinkedIn, Monster, online applications, recruitment vendors endorsements, etc.);
- Disseminate updated list of open positions to all employees for the Employee Referral Program (ERP) on a monthly basis;
- Manage the completion and approval of Support Forms prior posting of job openings;

Onboarding, Offboarding and HR Data Management

- Facilitate the New Hire Orientation to new employees and ensure that the information is relevant and up to date;
- Welcome New hires by ensuring all credentials, workstation are ready on day one;
- Facilitate office tour to new hires and endorse to immediate manager on day one;
- Maintain the completeness and integrity of Employee records including but not limited to pre-onboarding, offboarding requirements, and medical records (both hard copy and digital copy);
- Encode, manage and update employee records on the Company's Human Resources Information System (HRIS);
- Conduct exit interviews for leaving employees;
- Prepare the Offboarding Notice of leaving employees and notify concerned departments of the separation;
- Monitor the completion of exit clearance before endorsing for final pay processing of Finance;

Compensation and Benefits Administration

- Record and forward to Finance the loan details of employees;
- Prepares the addition, deletion and revision list for submission to health insurance (HMO) provider for processing;

Employee Relations

- Provide assistance with Senior Management and local management mediate with HR-related issues;
- Work with leaders and employees to provide guidance/assistance in any HR-related issues;
- Planning, preparation and execution of Company events.

General Administration

- Review and validate HR-related billing statements before endorsement to Finance for payment;

Training and Development

- Assist with scheduling and coordination of in-house and off-site trainings'
- Prepare, collate and analyze training-related surveys.

Performs other ad hoc activities as necessary and as prescribed by the Immediate Manager or Authorized Representative.

What are we looking for?

- Bachelor's Degree in Psychology or any related field
- At least 3 years experience with a focus on Talent Acquisition/Recruitment.
- Minimum of 2 years experience in recruiting software developer positions with C#.Net technology.
- Preferably has experience working in an IT Company.
- Must be comfortable with the English language and have the ability to communicate well.
- Willing to work following Australian time & holidays
