What will you do?

The Product Manager is responsible for setting and implementing product vision and product development strategy by deeply understanding client needs and psychology to ensure product requirements are met. The Product Manager will serve as the Product Owner responsible for formulating long-term and short-term product vision and strategy including successful delivery and implementation of operating plans across various teams. The role requires extensive product management and strategic planning to keep the organization relevant and competitive.

Product Viability

- Make sure that the product has a good market fit and is positioned to continue to be profitable for its entire lifecycle

Product Features Delivery and Backlog Grooming

- Overall management of agile development lifecycle which includes but not limited to timeline management, team coordination, sustaining sprint activities, backlog grooming, and overseeing all test cycles to ensure quality.

Product Discovery and Engagement

- Deeply understand client needs, challenges, and psychology

Quality Culture Driver

- Make sure that features delivered to market are of quality and there is a culture of continuous product and process improvement.

Performs other ad hoc activities as necessary and as prescribed by the Immediate Manager or Authorized Representative.

What are we looking for?

- Relevant bachelor's or master's degree
- Minimum of 3 to 5 years experience in a similar role within the technology industry
- Has a good mix of creative/UX and technical background in various business lines
- Has an in-depth understanding of the client needs, business development, and technology innovation especially in the real estate industry
- Excellent in problem-solving, negotiation, organizational, analytical skills
- Has knowledge in Product Management, People Management, Product Development, Requirements Analysis, Competitive Analysis, and Understanding the Customer.
- Preferably with license/certification related to Product Management or Project Management and/or Agile.

How to Apply

Bring us your talent, enthusiasm, and help us move to the next level of excellence. If you are someone who enjoys ownership and continuous learning, then we'd love to hear from you! Please submit your updated resume to recruitment@realtair.com with email subject: **Realtair, Inc. – PM – First Name and Last Name.**

***Candidates outside Metro Manila or from provinces are welcome to apply!*

COVID-safe precautions

Our recruitment and onboarding process has been adapted to comply with COVID safe precautions using our online recruitment process and Google Meetings online for video interviews.

Everyone's safety is our top priority. If you get the role, you'll be working remotely with the rest of the team until it is deemed safe to go back on normal business operations within the office premises.
